MEMORANDUM FOR: Contracting Officer, DPD-DD/P

SUBJECT : IRAN Schedule

REFERENCE : DPD-2649-59, dated 22 April 1959

1. Operations has advised Materiel Branch that due to operational commitments they will be unable to schedule further aircraft into IRAN until two (2) J-75 installations are completed and ready for delivery to field units.

2. It is realized this will prolong the IRAN schedule and cause an overlap with FOG's schedule which begins 1 February 1960.

3. If Operational commitments permit, extra aircraft will be scheduled to absorb slack periods. This office will advise you of any changes that occur other than stated in this memorandum.
